INMARE NATURAL PRODUCTS

INMARE respects nature, authenticity and purity . In the development of our products we strive to use ingredients that are as natural, pure, and effective as possible. All our precious plant extracts, essential oils and deeply nourishing natural ingredients are ethically sourced and all the raw ingredients we use are from sustainable supplies.

AGAINST ANIMAL TESTING

INMARE is against animal testing. We do not test our products on animals. The raw materials we use within our products and packaging do not contribute to habitat devastation of endangered animals and our product range is suitable for vegetarians.

PACKAGING

The INMARE product cartons are completely recyclable; our product containers are only manufactured using glass which is recyclable.
